Staff Announcement Assistant Manager of Information Systems

The Northwest Catholic District School Board is pleased to announce the appointment of Brad Maxwell to the position of Assistant Manager of Information Systems at the Fort Frances Board office effective Monday, November 1, 2021.

Brad has been with our Board in the position of Technical Support Specialist since 2015 and continues to serve our Board with a wealth of knowledge and experience in Information Technology, specifically in network administration. With over 5 years experience with technology in education Brad brings extensive knowledge, exemplary customer service, communication and organizational skills to this position.

We know Brad will continue to use his expertise to support our system and keep us on the cusp of learning, utilizing the most up-to-date technology.

Congratulations Brad!
