### **Important Notice:**

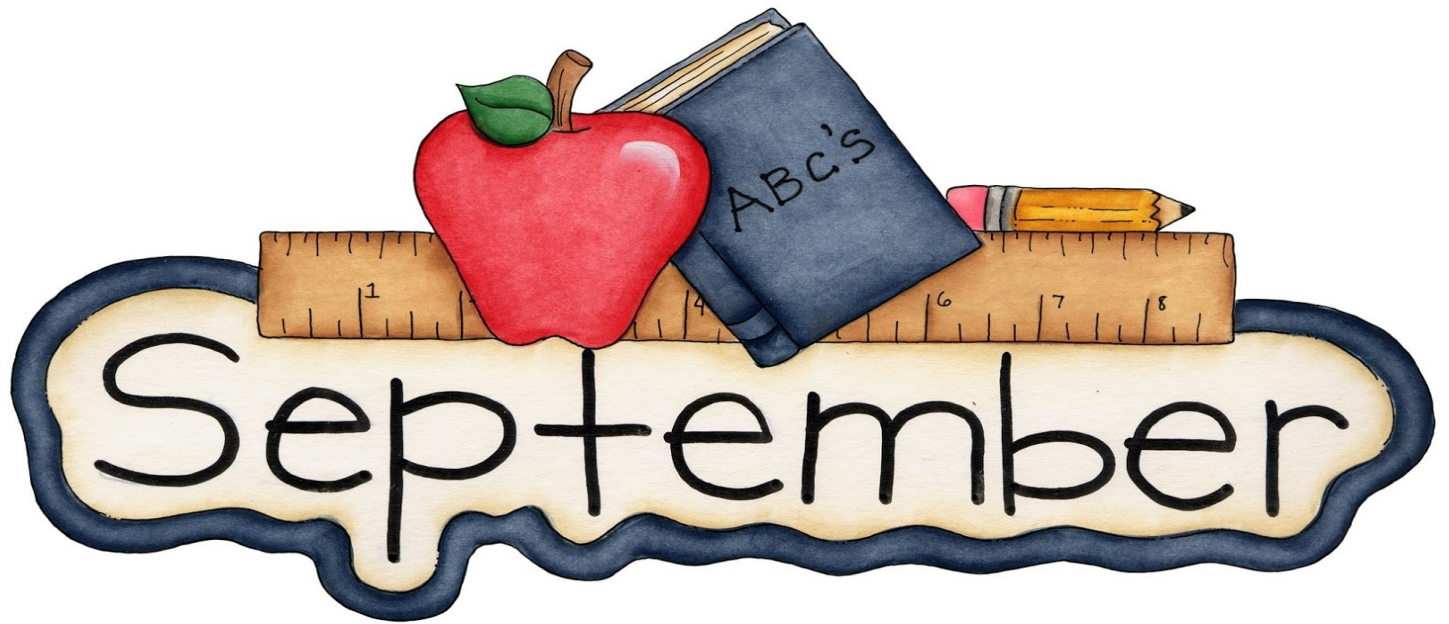

At the beginning of each school year there are many forms that we are required to send home for signing. Some will require you to fill out information or make changes where necessary. A new form covering outdoor play in our field and wooded area will be sent home also. Because we are expanding our classroom to include instructional time outdoors, we wish for caregivers and students to be aware that learning in nature will be done in all types of weather and conditions.

Please fill out these forms in a timely fashion and return them to school. Due dates will be included with the forms. We appreciate your help and understanding.

**We will be hosting our Annual Open House on  
Wednesday, September 18th. A spaghetti dinner will be served.**
