## Safe Arrival

Don't forget to contact the school if your child is away or will be late.

**223-5227**

## Important Notice For All Parents

We have 410 students in our school and we can't stress enough the importance of parents providing notes for absences, planned late arrivals or bus schedule changes.

We ask that you send a note to your child's classroom teacher in all instances.

The school office is a very busy place and taking parental messages uses valuable secretary time. Also, these interruptions affect instructional time.

For unplanned absences, the safe arrival line is always available at

**223-5227**

**Thank you for your attention to this matter.**
